The diagram shows a left variant of a door assembly. It consists of a main door frame with a handle at the bottom right. A smaller inner frame is positioned inside the main frame. A circular lock mechanism is located near the top center of the inner frame. The overall width of the assembly is indicated by dimension A1, X1, Y1. The height of the inner frame is indicated by dimension A2, X2, Y2. The distance from the outer edge of the main frame to the handle is labeled C. The distance from the handle to the right edge of the inner frame is labeled D. Vertical dimensions B and A are also shown on the left side.

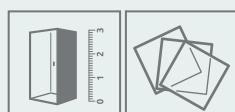

A technical drawing of a rectangular frame. Inside the frame, there is a smaller rectangle at the top center containing a circle. Below this, a horizontal bar extends from the left side towards the bottom right corner. The bottom right corner features a vertical post with a horizontal slot. Labels are present: 'A1, X1, Y1' at the top center, 'A2, X2, Y2' on the right edge, 'D' on the left side of the horizontal bar, 'C' at the bottom center, and 'B' on the right side of the vertical post.
