Sensory experience in the shower space

“L’Architettura è il gioco sapiente, rigoroso e magnifico dei volumi sotto la luce.” - Le Corbusier

La nuova linea Carimali - *MyDream_Colonial_MySlim* - nasce da un’emozione che come l’arte diventa tangibile. Sensazioni, riflessi, linee. Penombre, note sinfoniche, aromi. Stati d’animo e purezza di forme che si fondono per regalare esperienze di vita irrinunciabili.

Architettura, design e luce uniti in un’intensa relazione per il benessere dell’uomo.

“Architecture is the masterly, correct and magnificent play of masses brought together in light” - Le Corbusier

The new line Carimali - MyDream_Colonial_MySlim - blossoms from emotion becoming tangible as art does. Sensations, reflections, lines. Shadows, symphonic notes, aromas. Moods and purity of shapes merging to give life experiences impossible to give up.

Architecture, design and light together in a deep relation for human wellbeing.
